

A very warm welcome to children and parents! We hope you have had an enjoyable summer break and are enjoying the start of a new school year. A big welcome to all of our new Reception children and their families and to those who have transferred from other schools. The staff and children at Tedder are fantastic at helping and supporting each other and know only too well what it feels like when everything is new.

This term is busy and we have plenty of activities going on to enrich the curriculum and provide extended opportunities for the children. Class 4 will be visiting PGL for their residential visit and Class1 will be going on their first trip to visit Tollbar Equestrian to support learning in their topic. Classes 3 and 4 will be visiting Flag Fen to enhance their History topic. We also have visits from our Stay Safe Partnership who will be talking about online safety.

This term we are happy to welcome Lincolnshire Cricket coaching, where the children will have high quality teaching from a specialist coach. Following the announcement of the withdrawal of PE funding for individual schools, we are awaiting further information regarding how we can access central funding to make extra provision in future.

We have had a super start to the term, with everybody settling in well and I know we are excited to continue this journey with the children. We have to congratulate our children for amazing progress and results last year and in particular our Year 6 leavers, who went to their new schools with a set of incredible results, to show for their hard work.

We are looking forward to working with our PTA again, who work hard to fundraise and provide opportunities for the children. Please follow their Facebook page for information and consider joining if you are able.

Below you will find a comprehensive diary of dates, so please put them in the calendar and we will of course keep you informed with further details, as the events draw near.

Mrs. A Crawshaw
Headteacher

WEBSITE: www.tedder.lincs.sch.uk

I would like to encourage all parents to visit our website, which is regularly updated and contains a wealth of information. There is also a calendar of events which Mrs. Mulford updates regularly as a quick point of reference for you. In addition, the Safeguarding Policy will guide parents on how to keep children safe and how to address any concerns they may have, including E-safety.

Below are the important dates for the term so far: -
