Expenditure	Spent	Detail of spend and impact
Staffing	£18,394.42	• ELSA TA, trained by Educational Psychologists and TA in classrooms. • Support was provided for children in a range of situations improving their mental health and wellbeing and supporting access to the curriculum.
Resources / Equipment for children / Educational visits	£3707.44	• Educational visits and also visitors into school, to enhance the children's experiences and provide a broader curriculum. • Children had a breadth of experiences across the curriculum which enhanced their understanding and developed their

		cultural awareness, also giving them experiences to write about.
Meals	£333.50	• Subsidy of universal free school meals to offer free and nutritious meals for Key Stage 1. • Every child had access to meals of quality leading to health and wellbeing.
Specialist services	£350.00	• Funding was used to employ the services of the Educational Psychologist to provide assessments for pupils. • The impact was that we were able to support children and identify needs both academic and emotional, enabling us to support children across both areas and

		improve wellbeing and progress.
